

Student Temporary Employment Program (STEP)

\$16,880-62,593

Full or Part Time Opportunities for Current Students Only

To employ students, giving them a chance to work in Federal agencies so that they can resume or continue their education without interruptions caused by financial pressures. The program is designed to benefit students who are in high school or higher program. Employment is for specified periods for up to one year at a time and may be terminated at any time. Student's major does not have to be related to the position they are seeking.

Students appointed under this program are eligible for holiday pay and to earn sick and annual leave, but are not eligible for health benefits, retirement, or life insurance.

The qualification requirements vary depending on the career field. The qualification standards are found in the Qualifications Standards Handbook Operating Manual, which is published by the U.S. Office of Personnel Management. You may review this operating manual in its entirety by visiting the Civilian Personnel Advisory Center at the above address or online at <<http://www.opm.gov/>>. You must meet the specific qualification for the position in which you are applying.
