Hikes...

3/4 Mile Nature Trail (roundtrip) - Great for kids!

- Pick up the 'Self-Guided Nature Trail' brochure and get going! The guide has its own map and information.

3/4 Mile Long Leaf Trail (one way) - Great for little kids!

- Walk the 0.75 paved trail that runs parallel to the entrance road.
- It travels from the front parking lot to the Visitor Center.
- See 2 or 3 Long Leaf Pine Tree replanted areas and learn about these awesome trees from the sign you will see on the trail.

1.5 Mile Loop Trail (roundtrip) - See diverse habitats

- Begin behind the Visitor Center on the Big Bridge, access the Falls Lake Trail down the steps (white blazes)
- When you come to the post with the blue dot on it, take a left on to that trail. (blue blazes)
- Cross the road and stay on the Blue Dot Trail.
- Take a left back onto the Falls Lake Trail (white blazes) when you come to that intersection.
- Follow the white blazes across the dam road, through a field, and back up to the Visitor Center.
