**Poe's Ridge Permit Hunting Program**  
**U.S. Army Corps of Engineers**  
**B Everett Jordan Lake**  
**2015 - 2016**

Thank you for your interest in public hunting opportunities for people with disabilities in the Poe's Ridge Recreation Area. Beginning in May 2015 a portion of Poe's Ridge Recreation Area managed by the U.S. Army Corps of Engineers (Corps) has been reserved for permit hunting (see map). A handicap accessible type hunting blind set in a naturally wooded environment is provided by the Corps and available for reservation. This booklet is intended to give you an overview of the rules and regulations that apply to the Poe's Ridge Permit Hunting Area (PHA). If you are interested in finding more information about the program or the PHA you can speak with one of our park rangers or natural resources specialists at the Corps' Visitor Assistance Center or by telephone at (919) 542-4501.

The Poe's Ridge Permit Hunting Program is dynamic and may continue to change as a result of public comments or changes in state and federal rules and regulations. Please check with us each year for possible changes. Also, please realize that game animals are a state resource; North Carolina Wildlife Resources Commission (NCWRC) rules and regulations apply with regard to deer taken, manner of take, harvest reporting, season, hours, and licensing.

Your safety is our concern. Hunting in Poe's Ridge PHA is a unique recreation opportunity and a valuable natural resources management tool. Poe's Ridge Recreation Area is a multipurpose public recreation area so hunters may encounter other visitors. The safety of all visitors is our highest priority. Hunters are required to follow all Corps rules and regulations as well as state law. Please help to ensure that the hunting program continues to be a safe and enjoyable experience for years to come.

Information on the Poe's Ridge PHA is available on the Jordan Dam's webpage <http://www.saw.usace.army.mil/Locations/DistrictLakesandDams/BEverettJordan.aspx>. In the near future a map showing the location of the accessible blind will be available online along with a 360° x 180° interactive video. We also invite you to visit our national website at <http://corpslakes.usace.army.mil>. This website provides an overview of the Corps natural resources and recreation programs. The Wilmington District website at <http://www.saw.usace.army.mil/> includes links to general information for each lake in the District. Although there are no campsites at Poe's Ridge you might also consider visiting another website at <http://www.recreation.gov>. Through this site, you can reserve campsites at most federal recreation agency campgrounds.
