- **List water(s) and area/length within review area – Required:**

*NOTE:* If the navigable water is not subject to the ebb and flow of the tide or included on the District’s list of Section 10 navigable waters list, **DO NOT USE THIS FORM TO MAKE THE DETERMINATION.** The District must continue to follow the procedure outlined in 33 CFR part 329.14 to make a Section 10 RHA navigability determination.
