PUBLIC NOTICE

June 13, 2018

Corps of Engineers seeks public comments on stream impacts in Jackson County, N.C.

WILMINGTON, N.C. - The Wilmington District, U.S. Army Corps of Engineers received an application from Mr. Scott Wearren of High Hampton Resort, LLC / High Hampton Land, LLC, (High Hampton LLCs) seeking Department of the Army authorization for 200 linear feet (lf) of temporary stream impacts (utility crossings); 3,293 lf of permanent stream impacts (golf course redesign, stream crossings for roads, stream bank stabilization); 0.76 acres (ac) of permanent wetland impacts (golf course redesign, crossings for roads, and laundry/maintenance facility); and 0.159 ac permanent open water impacts (golf course redesign and beach relocation/construction), associated with the High Hampton Redevelopment Project in Cashiers, Jackson County, North Carolina.

Comments received will be considered by the USACE to determine whether to issue, modify, condition or deny a permit for this proposal. To make this decision, comments are used to assess impacts on endangered species, historic properties, water quality, general environmental effects and all other appropriate public interest factors. Comments are used in the preparation of an Environmental Assessment (EA) and/or an Environmental Impact Statement (EIS) pursuant to the National Environmental Policy Act (NEPA). Comments are also used to determine the need for a public hearing and to determine the overall public interest of the proposed activity.

The Public Notice, including specific plans and site information, is available on the Wilmington District Web Site at <http://www.saw.usace.army.mil/Missions/RegulatoryPermitProgram/PublicNotices.aspx>.

Comments must be received by close of business on July 16, 2018, and may be addressed to Mr. David Brown, Asheville Regulatory Field Office, 151 Patton Ave., Room 208, Asheville, N.C. 28801.
