

SHOALING AREAS ALONG THE AIWW & INLETS IN NORTH CAROLINA Beaufort Inlet, NC to Little River Inlet, SC

Information Current As Indicated By Survey Date
Depths refer to Local Mean Low Water

Visit our website for more detailed surveys and waypoints.

www.saw.usace.army.mil/nav

NOTE: This map and associated information represent the results of surveys made on the dates indicated & can only be considered as indicating the general conditions existing at that time. Because these conditions are subject to rapid change due to shoaling events, a prudent mariner should not rely exclusively on the information provided here.

Map Date: November 21, 2008

Map # sawgis-2008-091

"Lockwoods Folly Inlet Crossing"
Tangent 11
AIWW Controlling Depth: 0'
Waypoint Controlling Depth: 6'
Between Buoy 46A & Light 48A
Surveyed: September 29, 2008

"Mason's Inlet Crossing"
Section 3 - Tangent 12
AIWW Controlling Depth: 5'
Waypoint Controlling Depth: 10'
Between Light 122 & Daybeacon 123
Surveyed: May 16, 2008

"Shalotte Inlet Crossing"
Tangent 19
AIWW Controlling Depth: 0'
Waypoint Controlling Depth: 4'
Vicinity of Buoys 80a & 81
Surveyed: September 11, 2008
Tangent 20
AIWW Controlling Depth: 8'
Waypoint Controlling Depth: 10'
Vicinity of Buoy 82
Surveyed July 22 & 25, 2008

Several Shoals can be found between the Cape Fear River & Lockwoods Folly ranging from 5-10 feet. Please check our website for more detailed hydro surveys.

"Shalotte River Crossing"
Tangent 17
AIWW Controlling Depth: 0'
Waypoint Controlling Depth: 7'
Between Daybeacon 75 - Light 77
Surveyed: July 22 & 25, 2008

LOCKWOODS FOLLY INLET
Waypoint Controlling Depth: 3'
Surveyed: Nov. 18, 2008

Section 3 - Tangent 3
AIWW Controlling Depth: Avg. 10'
Between Light 15 & DM 25
Surveyed July 25, 2007

"New River Inlet Crossing"
Section 2 - Tangent J
AIWW Controlling Depth: 8'
Waypoint Controlling Depth: 9'
North of Buoy 74
Surveyed: November 6, 2008

"Bogue Inlet Crossing"
Section 1 - Tangent G
AIWW Controlling Depth: 3'
Waypoint Controlling Depth: 12'
Between Buoy 45a & Light 46
Surveyed: September 16, 2008

BOGUE INLET
Ocean Bar
Controlling Depth 8'
Inshore of LT Buoy 10
Surveyed: September 16, 2008

NEW RIVER INLET
Inlet: Waypoint Controlling Depth 5'
Surveyed: October 15, 2008

TOPSAIL INLET - Ocean Bar
Controlling Depth 7'
Surveyed: October 1, 2008

"Carolina Beach Inlet Crossing"
Section 4 - Tangents 1
AIWW Controlling Depth: 6'
Waypoint Controlling Depth: 7'
Between Buoy 155 & 154A
Surveyed: September 30, 2008

CAROLINA BEACH INLET
Waypoint Controlling Depth 7.0'
Surveyed: November 6, 2008

"Snow's Cut"
Section 5 - Tangents 1 thru 4a
AIWW Controlling Depth: 7'
Waypoint Controlling Depth: 8'
Between Buoys 161A & 162
Surveyed: September 19, 2008

"Snow's Cut"
Section 5 - Tangents 1 thru 4a
AIWW Controlling Depth: 3'
Waypoint Controlling Depth: 5'
Between Buoy 162A & Light 10
Surveyed: June 11, 2008
