

Philpott Lake, US Army Corps of Engineers (USACE), Firearms Safety Information Map

Philpott Lake and the surrounding federal property are under the stewardship of the US Army Corps of Engineers (USACE). Some recreation and wildlife management areas are managed in partnership with state and local governments and other lessees. The possession, open carry, and discharge of firearms for the purposes of hunting and fishing (bow fishing) and/or concealed carry of a handgun for personal protection may be authorized in certain areas. Open carry of firearms for personal protection is not authorized.

Please review all of the following information and contact the appropriate managing agency if you have questions.

- The possession and discharge of firearms on federal property at Philpott Lake including leased areas are subject to the following:
 - 36 CFR 327.13 (a) The possession of loaded firearms, ammunition, loaded projectile firing devices, bows and arrows, crossbows, or other weapons is prohibited unless: (1) In the possession of a Federal, state or local law enforcement officer; (2) Being used for hunting or fishing, with devices being unloaded when transported to, from or between hunting and fishing sites. (3) Being used at authorized shooting ranges; (4) Written permission has been received from the District Commander*
 - 18 U.S.C. §930 Possession of firearms and dangerous weapons in Federal facilities*
- **Concealed Carry** of a handgun on federal property at Philpott Lake including leased areas is prohibited unless the individual has received written permission from the USACE Wilmington District Commander or their designee, in compliance with 36CFR327.13(a)(4).
