DISC GOLF AT NORTH BEND

Our North Bend Park Disc Golf Course was established in 2019 due to a partnership between the Southside Virginia Disc Golf Association, the Roanoke River Basin Association, Dominion Power, and the US Army Corps of Engineers.

The 9-hole, intermediate course invites all park guests to pick up a disc and play. The course intertwines through the forest and along the bike path in North Bend Park. No scheduling required, so please come out to the course for a round of disc golf fun!

We are a Leave No Trace facility

- ✓ The course is located in a forested area which provides habitat for wildlife and other environmental benefits. Please properly dispose of waste.
- ✓ Be conscious of nature by respecting plants and animals, and be aware of your surroundings.

GAME RULES

- 1 Disc golf is played like ball golf, using flying discs. One stroke is counted each time the disc is thrown, and when a penalty is incurred. The winner is the golfer with the lowest score.
- Never throw until the players ahead of you are out of range.
- **3** Tee throws must be completed within the designated tee areas.
- 4 A disc that rests inside of the disc basket or chains is a successful completion of that hole. A disc that comes to rest on top of the pole does not constitute a successful putt.
- A disc that lands out of bounds must be played from the point where the disc went out of bounds – 1 stroke penalty
