Corps of Engineers seeks public comments on impact to wetlands

WILMINGTON, N.C. - The Wilmington District, U.S. Army Corps of Engineers has received an application from Duke Energy seeking Department of the Army authorization to impact 0.55 acre of wetlands and 979 linear feet of stream associated with the redirection of storm water to ensure long-term integrity of the Coal Combustion Residual facilities and facilitate future ash basin closure activities within Marshall Steam Station in Catawba County, North Carolina.

The Project Manager is Mr. Bryan Roden-Reynolds who can be reached at (704) 510-1440.
